STATE OF NEW YORK
IN SENATE
JANUARY 10, 1967.
REPORT
OF THE
COMMISSIONERS OF THE DEPARTMENT OF ENVIRONMENTAL CONSERVATION,
IN RESPONSE TO A RESOLUTION PASSED BY THE SENATE
ON APRIL 18, 1966.
ALBANY: J.B. LIPPINCOTT COMPANY, 1967.
PREFACE
The following report was prepared by the Department of Environmental Conservation in response to a resolution passed by the Senate on April 18, 1966. The resolution directed the Commissioner to submit a report to the Senate on or before January 10, 1967, regarding the progress made during the past year in the implementation of the provisions of the State Environmental Quality Improvement Act (SEQIA).
The report is organized into three main sections: a summary of the progress made during the past year; a detailed account of the work done in each of the major areas of responsibility; and a statement of the plans for the future.
The first section provides a brief overview of the accomplishments of the Department during the past year. This includes information on the number of projects completed, the amount of money spent, and the results achieved. It also discusses the challenges faced during the year and the steps taken to overcome them.
The second section provides a more detailed account of the work done in each of the major areas of responsibility. These include air quality, water quality, noise abatement, and land use planning. Each area is discussed in terms of the goals set at the beginning of the year, the progress made towards those goals, and the specific actions taken to achieve them.
The third section discusses the plans for the future. This includes information on the projects currently in progress, the funding available for these projects, and the steps being taken to ensure their successful completion. It also discusses the long-term goals of the Department and the strategies being developed to achieve them.
I am confident that this report will provide a comprehensive and accurate picture of the progress made during the past year. I hope it will also serve as a useful guide for the future.
Sincerely,
[Signature]
Commissioner of the Department of Environmental Conservation

Rosner William
